The HABAU GROUP is an international full-service supplier for construction.  
 Whatever your requirement is: **We will build it.**

**Strong enough.**  
 Careers for tomorrow.

# Success is created by people – A future for you with the HABAU GROUP

## Build your future on a career in the HABAU GROUP

The HABAU GROUP is an international full-service supplier in the high-rise, civil engineering, pipeline, prefabricated element, underground and steel construction sectors as well as in steel plant construction. As a family business with sustainable growth, today we are the 4<sup>th</sup> largest company in the Austrian construction industry and continue to follow our successful path.

## Expertise, commitment and responsibility

The diversity of our activities and large number of branch offices sets the HABAU GROUP apart as a leading company in the industry. This is founded on the approach to quality that our employees consistently implement every day throughout our individual and unique projects. This generates a passion for innovation in construction that is the essence of the HABAU GROUP and motivates us to give our best - the cornerstone of our business success.

## A team to build on: Regionally, nationally and internationally

The HABAU GROUP supports and builds on the enthusiasm of individuals for construction and offers attractive development opportunities in Austria and internationally.

We offer our employees a diverse and challenging working environment as well as good career prospects in a stable company. If you value variety and independence, and have a sense of responsibility and teamwork, together with a self-confident personality, then we would like to get to know you.

Lay the foundation stone for a career at the HABAU GROUP. Apply online today: [www.habau.com/career](http://www.habau.com/career)

**People in the HABAU GROUP –  
Strong enough for the toughest team and the greatest challenges.**
